**Thank you** for your interest in Hide 'N Seek Children's Foundation materials. We offer a variety of public awareness campaigns, posters, theater and outdoor advertising featuring the faces of children in materials as a reminder that child support is about children.

## Hide 'N Seek Campaigns

Put a face to your community outreach with a Hide 'N Seek campaign. Our Hide 'N Seek Custom Campaign package consists of (8) outreach ads. You may choose from print ads for newspaper or magazine, or beautiful printed posters for your county lobby. You may wish to target movie goers with a Cinema Media ad, or go outdoors with a digital billboard or bus kiosk. Bookmarks are also available. Visit our website for a gallery of outreach prints to choose from. Individual outreach materials may be ordered separately. (See order form inside.)

**\*Spanish language ads and posters are available for most campaigns and prints. If you prefer a different translation, your county department must provide that translation to Hide 'N Seek.**

Outreach ads may be color or black and white, and come press-ready for printing in publications or on flyers at your own county or local print shop. Posters come printed with high quality inks that will last for years - framing is optional. Minor text and size revisions to customize the campaign are allowed. Call (831) 422-1516 for more information.
